Hi Dan!

See attached photos. Our maintenance team submitted these trip hazards through 311 months ago. I'm not sure if they're in the city's repair queue, but I thought I'd forward to your attention so you're aware.

The first hazard is at 6765 Hollywood and the other is at the southeast corner of Sunset and Cahuenga.

Best regards,

Why don't we address this with BSS during our walk-through next week?
